Steinway Piano Gallery Presents

“Piano Without Pain”

In his seminars,
David Higginson has shown
thousands of people an *easier* way
to play the piano using the chords
and rhythms professionals use.

Now, it's *your* turn!

- Learn how professionals play easily and beautifully *without having to read music!*
- Play beautiful chords and rhythms with both hands *right from the start!*

“I was delighted to find a method that sounds so good yet is so easy to learn.” —Yvonne Egbert, International Piano Teaching Foundation
